Dear Mr. Wagner -

I am in receipt of your email below sent to me earlier this afternoon.

There is a conflict of interest that prevents me and my law firm from representing you in this matter or in any matter.

I am compelled to bring to your attention that your unilateral communication of information to me without any reasonable expectation that I am willing to discuss the possibility of forming an attorney-client relationship with you means that you are not a prospective client of my law firm within the meaning of the applicable rules of professional conduct.

Very truly yours,

Steven D. Frenkil

I hope this letter finds you well. I am writing to seek your professional guidance and potential legal representation regarding a complex legal situation I am currently facing. After conducting research and considering your expertise, I believe your assistance in matters related to employment law, whistleblower protections, and defamation may be invaluable.

Background:

I am the Vice President of IT at the largest privately held Planet Fitness franchise, and I have encountered various legal concerns that have impacted my professional reputation, mental health, and overall well-being. I am seeking legal advice to understand my rights, potential legal remedies and the best course of action moving forward.

Employment Law:

I have experienced distressing issues within my workplace, including instances of harassment, bullying, and a hostile work environment. These circumstances have created a challenging and uncomfortable work environment, affecting not only my professional life but also my well-being.

Whistleblower Protections:

Additionally, while performing duties and tasks directed by the CFO, I have uncovered fraudulent and altered information. This discovery has led me to believe that I may be entitled to whistleblower protections under the law. I am seeking guidance on the available legal safeguards to protect against retaliation and the potential avenues for pursuing justice.

Defamation:

The fabricated and altered information has had a detrimental impact on my reputation, both internally within the company and externally. I believe there may be grounds for a defamation claim, and I am interested in exploring the possibility of taking appropriate legal action to protect my reputation and seek remedies for the harm caused.

Request for Legal Assistance:

Given the complexity and sensitivity of my situation, I am reaching out to you for professional guidance and potential legal representation. I kindly request an initial consultation to discuss the details of my case and to evaluate the potential legal options available to me. I am prepared to provide you with the relevant information, documents, and evidence that I currently have parsed out during the consultation.

If you believe that your expertise aligns with my needs, I would greatly appreciate your assistance in navigating these legal matters. Alternatively, if you are unable to provide the specific legal services I require, I kindly ask for your guidance in directing me to another attorney who may be better suited to handle my case.

Confidentiality is of utmost importance to me, and I assure you that all information shared will be treated with the strictest confidence.

Thank you for considering my request. I look forward to the opportunity to discuss my case with you further and to potentially engage your legal services. Please let me know of your availability for an initial consultation at your earliest convenience. I have a meeting scheduled for tomorrow afternoon that could include retaliation for a recently filed HR complaint as well as retaliation against me for being a whistle-blower.

Should you require any additional information or have any questions, please do not hesitate to contact me. Thank you for your attention to this matter.

Respectfully,

Ryan Wagner

We have been advised by Judge DeSimone's Chambers that the Court will hear Ohana's Motion for a Temporary Restraining Order this morning as soon as possible after I arrive at the courthouse, which ought to be in about 35 minutes. If you have retained a lawyer to represent you in this matter you should have your lawyer contact Chambers to arrange to participate. If not you can contact Chambers and arrange to appear on your own behalf.

Your continued refusal to comply with Ohana's demands, and your action to lock VP of Human Resources Richard Hartman out of the Company's MS 365 account has left the Company with no option but to seek assistance of the courts.

Attached are copies of a Complaint that will be filed on Ohana's behalf against you in the Circuit Court for Baltimore County. Also attached is a Motion for Entry of a Temporary Restraining Order and Preliminary Injunction, Memorandum of Law in support of the motion with exhibits, and a proposed Order that will be filed along with the Complaint. Our transmitting these documents does not currently constitute service of process triggering your duty to file a response to the Complaint, but it does place you on notice of the Motion for a TRO.

Immediately after the documents are filed we will transmit courtesy copies of the filings to the Hon. Michael J. Finifter, who is serving as today's Chambers Judge for the Court, and request that we be given an opportunity to heard on the Motion for a TRO as soon as possible this afternoon. I will advise you as to whether the Court sets an in-person or telephonic hearing on the motion. If you are represented by an attorney, you should have your attorney contact me as soon as possible.

Ohana will consider withdrawing the Motion for TRO provided that (1) you immediately provide Global Admin rights to Phil Leodore of Hartman Executive Advisors; (2) we receive confirmation from Mr. Leodore that he has received and can exercise those rights; and (3) you confirm in writing that you will comply with the suspension letter sent to you yesterday by Richard Hartman. Time is of the essence. Ohana is also open to a negotiated resolution to the entire matter and any claims that you believe you may have, but will not entertain any discussions until the issue of Global Admin rights is resolved. I am available by telephone to discuss the matter with you and/or your attorney should you wish to do so.

STILL NOT OUR RESPONSE

Can someone elaborate on how to comply with the order to give access to Mr. Leadore? Logistically speaking, with sincerity, can someone provide a breakdown of how this would occur?

With gratitude and appreciation,

Per the attached, a hearing on Ohana Growth Partners, LLC’s Motion for Preliminary Injunction is set for next Wednesday, June 26, 2024 from 9 to 11 a.m.

While Ohana is certain that you are abundantly familiar with the actions necessary to bring you into compliance with the Temporary Restraining Order entered yesterday, here are the steps that you should take:

- 1. Create an account in Ohana’s Microsoft 365 tenant, pleadore@ohanapp.com. Add the account into the Global Administrators group and send the password to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458.
- 2. Provide pleadore@ohanapp.com with owner level rights to all Azure subscription plans.
- 3. Provide the root level administrator account password in GoDaddy to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458. You should remove all multi-factor authentication apps, phone numbers, and/or email addresses associated with the root account.
- 4. Once accounts have been created in Ohana’s Microsoft 365 tenant and the root level password provided for the GoDaddy account, refrain from accessing or making configuration changes to their Microsoft 365 and GoDaddy accounts.

You should take all the above actions this morning so that you are in compliance with the Temporary Restraining Order by 12 p.m. today. If you fail to do so Ohana will have no choice but to file additional papers with the Court seeking to have you held in contempt of the Order and will ask that the Court take up the issue of contempt during the hearing on June 26th.

As stated in my June 14, 2024 email, Ohana is open to a negotiated resolution to the claims it has asserted in its Complaint and any claims that you believe you may have, but will not entertain any discussions until you are in compliance with the Temporary Restraining Order. If you bring yourself into compliance and are interested in discussing a resolution, it is possible that the matter could be resolved in advance of the June 26th hearing

I look forward to receiving confirmation of your compliance.

I just left the courthouse after providing a letter to the clerk for the chambers judge. My lawyer has a death in the family and is at a prescheduled conference next week and we are looking for another attorney who can received to this urgency issue. The judge also received documentation showing the suspension was illegal and the TRO is asking me to something illegal.

Please allow time for the judge to review.

As you have seen, the Court rejected your assertions that PCI compliance issues prevent you from complying with the Temporary Restraining Order and has directed that you appear at the hearing scheduled for Wednesday to explain why you should not be held in contempt of court.

Below you claim that you "would greatly appreciate anything [I] could do to help us negotiate an end to this." I am authorized by Ohana to make the following proposal:

1. You must immediately comply with the 4 steps I communicated a week ago:

- i. Create an account in Ohana's Microsoft 365 tenant, pleadore@ohanapp.com. Add the account into the Global Administrators group and send the password to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458.
- ii. Provide pleadore@ohanapp.com with owner level rights to all Azure subscription plans.
- iii. Provide the root level administrator account password in GoDaddy to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458. You should remove all multi-factor authentication apps, phone numbers, and/or email addresses associated with the root account.
- iv. Once accounts have been created in Ohana's Microsoft 365 tenant and the root level password provided for the GoDaddy account, refrain from accessing or making configuration changes to their Microsoft 365 and GoDaddy accounts.

Note that this provision is non-negotiable and cannot be subject to or held up by any requests by you for information from or about Mr. Leadore. You perform the steps/actions as stated; period.

2. You send an email to Ms. Lauren Prinkey, Judicial Assistant to the Honorable Keith R. Truffer, cc'ing me and my colleagues Mr. Frenkil and Ms. Hoffberger, and asking her to advise the Court that you consent to the entry of the preliminary injunction.

Once we receive confirmation from Mr. Leadore that he has obtained Global Administration rights in Ohana's Microsoft 365, owner rights to all Azure subscription plans and administrative control over the GoDaddy Account, Ohana will:

1. Withdraw its motion to have you held in contempt of the TRO;
2. Request that the Court cancel the scheduled June 26th hearing as moot and unnecessary; and
3. Pause the litigation for 30 days in order to provide an opportunity for your situation to stabilize and for you and Ohana to attempt to negotiate an end to the litigation.

Time is of the essence. If you do not complete the four steps in Item 1 by 5:30 p.m. today the entire proposal is off the table.

I am writing to confirm that the share link to the encrypted envelope and file should have been received. The password has been texted to you separately for security purposes.

In my haste, I did not request a copy of my submission from the clerk. It was signed, and today's chamber judge was named. Due to the urgency of the situation, I was rushing, but assuming everything was printed correctly, the attachment should be what the judge has. I apologize for any delay. Earlier in the week, I informed Justin and Glenn that I could no longer sustain the current situation and required assistance. Glenn mentioned what I assume to be Hartman Executive Advisors. My recent email to Mr. Leadore reiterates my openness to support.

I should clarify that the plaintiffs are not technical experts, and their response to my concerns has consistently been, "I disagree." Throughout this process, I have provided numerous options and proactively suggested solutions to maintain PCI compliance while accommodating their requests. My current state is barely functional, and my wife, a licensed therapist with extensive trauma counseling experience, is primarily taking care of me. I have been in and out of a non-functional state for days now, and leading up to this, I have repeatedly requested contact information from their attorney. When I asked Holly Butler, her instruction was that I go through Ohana, which is confusing given that you are all part of the same law firm. They have refused to provide me with your information, and I had to obtain it from the filing.

There have been two formal written requests for your information because I want this to end. They persist, and when not targeting me, they go after Darren, Ann, and the help desk. Ann requested time off for mental health reasons yesterday. When I inquired about her well-being, she disclosed that she had experienced a panic attack but did not recognize it until she saw a doctor.

On Thursday, I sent emails about Rich's actions against Darren, spoke with Victor and Lynne, and had a lengthy text chain with Justin. At no point did anyone say I was suspended, and I believed Rich was dangerous for hours. I sent my wife away, I sent Ann home, and I reached out to two senior directors for backup before someone responded to me. I would greatly appreciate anything you could do to help us negotiate an end to this. The only condition that is not acceptable is that anyone is left unprotected, and in the last 30 days alone, it has been clearly documented in writing that they are also targeting Ann, Darren, and Cielo. There are more examples stretching back even further for all of us.

Thank you for your attention to this matter. I am doing the best I can, and technically, since I said I would tell them when I was back, my FMLA leave is still active. If they believe something else to be true, please inform them that as a result of the escalated hostility, I will be on FMLA leave until further notice. The statement about there being no other administrators is incorrect. LeeAnn continues to hold the role of Billing Administrator, and the support team continues to hold the privileged role of User Administrator. Since Darren was removed, there have been some gaps in Azure administration. I would like to provide this access to Dante Martinez, who is the Help Desk Manager. The gap in understanding what the Global Administrator role does underscores how their statements do not qualify as expert testimony.

Thank you for your attention to this matter.

with gratitude and appreciation,

RDC

I would have sent it to you soon, but I have been non-functioning for most of the time since the suspension. I do not think you would have filed the case at all if you had been given even the full emails where the make coercive threats and supporting emails and texts. For example, the cease and desist was because I had been on FMLA leave time for less than 2 hours before the 6-hour demand letter to work or else. I can't think of a reason to not give it to you because it was supposed to be our filing against multiple people at Ohana in our own TRO, preliminary injunction, and Peace Order along with other documents supporting what we are requesting.

Please give me a moment to stop shaking and get to a computer

I just left the courthouse after providing a letter to the clerk for the chambers judge. My lawyer has a death in the family and is at a prescheduled conference next week and we are looking for another attorney who can receive this urgency issue. The judge also received documentation showing the suspension was illegal and the TRO is asking me to do something illegal.

Please allow time for the judge to review.

Importance: High

Per the attached, a hearing on Ohana Growth Partners, LLC's Motion for Preliminary Injunction is set for next Wednesday, June 26, 2024 from 9 to 11 a.m.

While Ohana is certain that you are abundantly familiar with the actions necessary to bring you into compliance with the Temporary Restraining Order entered yesterday, here are the steps that you should take:

1. Create an account in Ohana's Microsoft 365 tenant, pleadore@ohanagp.com. Add the account into the Global Administrators group and send the password to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458.
2. Provide pleadore@ohanagp.com with owner level rights to all Azure subscription plans.
3. Provide the root level administrator account password in GoDaddy to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458. You should remove all multi-factor authentication apps, phone numbers, and/or email addresses associated with the root account.
4. Once accounts have been created in Ohana's Microsoft 365 tenant and the root level password provided for the GoDaddy account, refrain from accessing or making configuration changes to their Microsoft 365 and GoDaddy accounts.

You should take all the above actions this morning so that you are in compliance with the Temporary Restraining Order by 12 p.m. today. If you fail to do so Ohana will have no choice but to file additional papers with the Court seeking to have you held in contempt of the Order and will ask that the Court take up the issue of contempt during the hearing on June 26th.

As stated in my June 14, 2024 email, Ohana is open to a negotiated resolution to the claims it has asserted in its Complaint and any claims that you believe you may have, but will not entertain any discussions until you are in compliance with the Temporary Restraining Order. If you bring yourself into compliance and are interested in discussing a resolution, it is possible that the matter could be resolved in advance of the June 26th hearing.

I look forward to receiving confirmation of your compliance.

As you have seen, the Court rejected your assertions that PCI compliance issues prevent you from complying with the Temporary Restraining Order and has directed that you appear at the hearing scheduled for Wednesday to explain why you should not be held in contempt of court.

Below you claim that you "would greatly appreciate anything [I] could do to help us negotiate an end to this." I am authorized by Ohana to make the following proposal:

1. You must immediately comply with the 4 steps I communicated a week ago:

i. Create an account in Ohana's Microsoft 365 tenant, pleadore@ohanagp.com. Add the account into the Global Administrators group and send the password to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458.

ii. Provide pleadore@ohanagp.com with owner level rights to all Azure subscription plans.

iii. Provide the root level administrator account password in GoDaddy to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458. You should remove all multi-factor authentication apps, phone numbers, and/or email addresses associated with the root account.

iv. Once accounts have been created in Ohana's Microsoft 365 tenant and the root level password provided for the GoDaddy account, refrain from accessing or making configuration changes to their Microsoft 365 and GoDaddy accounts.

Note that this provision is non-negotiable and cannot be subject to or held up by any requests by you for information from or about Mr. Leadore. You perform the steps/actions as stated; period.

2. You send an email to Ms. Lauren Prinkey, Judicial Assistant to the Honorable Keith R. Truffer, cc'ing me and my colleagues Mr. Frenkil and Ms. Hoffberger, and asking her to advise the Court that you consent to the entry of the preliminary injunction.

Once we receive confirmation from Mr. Leadore that he has obtained Global Administration rights in Ohana's Microsoft 365, owner rights to all Azure subscription plans and administrative control over the GoDaddy Account, Ohana will:

1. Withdraw its motion to have you held in contempt of the TRO;
2. Request that the Court cancel the scheduled June 26th hearing as moot and unnecessary; and
3. Pause the litigation for 30 days in order to provide an opportunity for your situation to stabilize and for you and Ohana to attempt to negotiate an end to the litigation.

Time is of the essence. If you do not complete the four steps in Item 1 by 5:30 p.m. today the entire proposal is off the table.

I am writing to confirm that the share link to the encrypted envelope and file should have been received. The password has been texted to you separately for security purposes.

In my haste, I did not request a copy of my submission from the clerk. It was signed, and today's chamber judge was named. Due to the urgency of the situation, I was rushing, but assuming everything was printed correctly, the attachment should be what the judge has. I apologize for any delay. Earlier in the week, I informed Justin and Glenn that I could no longer sustain the current situation and required assistance. Glenn mentioned what I assume to be Hartman Executive Advisors. My recent email to Mr. Leadore reiterates my openness to support.

I should clarify that the plaintiffs are not technical experts, and their response to my concerns has consistently been, "I disagree." Throughout this process, I have provided numerous options and proactively suggested solutions to maintain PCI compliance while accommodating their requests. My current state is barely functional, and my wife, a licensed therapist with extensive trauma counseling experience, is primarily taking care of me. I have been in and out of a non-functional state for days now, and leading up to this, I have repeatedly requested contact information from their attorney. When I asked Holly Butler, her instruction was that I go through Ohana, which is confusing given that you are all part of the same law firm. They have refused to provide me with your information, and I had to obtain it from the filing.

There have been two formal written requests for your information because I want this to end. They persist, and when not targeting me, they go after Darren, Ann, and the help desk. Ann requested time off for mental health reasons yesterday. When I inquired about her well-being, she disclosed that she had experienced a panic attack but did not recognize it until she saw a doctor.

On Thursday, I sent emails about Rich's actions against Darren, spoke with Victor and Lynne, and had a lengthy text chain with Justin. At no point did anyone say I was suspended, and I believed Rich was dangerous for hours. I sent my wife away, I sent Ann home, and I reached out to two senior directors for backup before someone responded to me. **I would greatly appreciate anything you could do to help us negotiate an end to this.** The only condition that is not acceptable is that anyone is left unprotected, and in the last 30 days alone, it has been clearly documented in writing that they are also targeting Ann, Darren, and Cielo. Per the attached, a hearing on Ohana Growth Partners, LLC's Motion for Preliminary Injunction is set for next Wednesday, June 26, 2024 from 9 to 11 a.m.

-

While Ohana is certain that you are abundantly familiar with the actions necessary to bring you into compliance with the Temporary Restraining Order entered yesterday, here are the steps that you should take:

-

1. Create an account in Ohana's Microsoft 365 tenant, pleadore@ohanagp.com. Add the account into the Global Administrators group and send the password to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458.
2. Provide pleadore@ohanagp.com with owner level rights to all Azure subscription plans.
3. Provide the root level administrator account password in GoDaddy to pleadore@hartmanadvisors.com via a secure email. If you do not have access to send a secure email, you should send the password to me via text at 443-956-6458. You should remove all multi-factor authentication apps, phone numbers, and/or email addresses associated with the root account.
4. Once accounts have been created in Ohana's Microsoft 365 tenant and the root level password provided for the GoDaddy account, refrain from accessing or making configuration changes to their Microsoft 365 and GoDaddy accounts.

-

You should take all the above actions this morning so that you are in compliance with the Temporary Restraining Order by 12 p.m. today. If you fail to do so Ohana will have no choice but to file additional papers with the Court seeking to have you held in contempt of the Order and will ask that the Court take up the issue of contempt during the hearing on June 26th.

-

As stated in my June 14, 2024 email, Ohana is open to a negotiated resolution to the claims it has asserted in its Complaint and any claims that you believe you may have, but will not entertain any discussions until you are in compliance with the Temporary Restraining Order. If you bring yourself into compliance and are interested in discussing a resolution, it is possible that the matter could be resolved in advance of the June 26th hearing

-

I look forward to receiving confirmation of your compliance.

The filings also show that you now owe Ohana \$12,500 in fines. Have you paid any of that?

I think I can get authority to provide the transcript that Ohana paid for if you provide me the password for administrative control of Ohana's GoDaddy account, which Ohana also paid for.

Good morning.

As of 2 p.m. yesterday you have accrued \$25,000 in fines as a result of your continuing contempt of the Court's June 27th Preliminary Injunction.

Ohana believes that it may be able to achieve the establishment of Global Admin rights in its Microsoft 365 Tenant and administrative rights in its GoDaddy account if you provided photographs (1) of you holding your Maryland drivers license next to your face; (2) the front of your driver's license; and (3) the back of your driver's license. If you provide the photographs and Ohana is successful in regaining administrative rights over its accounts Ohana will consider you contempt as ended and will advise the Court. If you refuse Ohana will present that fact to the Court at your upcoming second contempt hearing as evidence of your continued bad faith and willful violation of the Court's orders.

Notwithstanding your continued contempt of Court and failure to comply with the Court's Preliminary Injunction, Ohana has succeeded in regaining Global Admin rights in its Microsoft 365 tenant and has disabled access via your account, the Null account and the Breakglass account.

Ohana has not regained administrative access to its GoDaddy account and you remain in contempt of the Preliminary Injunction by failing to transfer administrative control of that account and thus subject to daily fines of \$2,500 (which, as of yesterday afternoon, amount to \$42,500.00). If you transfer that control today, Ohana will agree that your contempt of Court has ended, such that no further fines will accrue, and Ohana will withdraw its pending motion to have you placed in jail until you comply with the injunction. You have nothing to gain from refusing to cooperate with the transfer of control of the GoDaddy account and Ohana's domain name registrations, so we hope that you will choose to cooperate.

Defendant Dillon-Capps,

Thank you for your recent message. As application of the slightest common sense and careful review of the Court record might have revealed, your message contains a series factually incorrect statements and assumptions.

Below is the email that, consistent with the Certificate of Notice, was transmitted to ryan.dilloncapps@ohanagp.com at 11:49 a.m. on June 14, 2024 with attached copies of the Complaint and TRO motion papers. As the email indicated, the documents had yet to be filed electronically via the Maryland Electronic Courts (MDEC) system.

As you may have noticed, after the Clerk of the Court accepts a filing through MDEC, an electronic date stamp is applied in the upper right-hand corner of the first page of the Court's electronic copy. Here is an example of what that looks like:

E-FILED; Baltimore County Circuit Court
Docket: 6/14/2024 12:18 PM; Submission: 6/14/2024 12:18 PM
Envelope: 16844353

As you can see, the "2024-06-14 Proposed TRO" pdf file that was attached to the 11:49 a.m. email does not bear such a time stamp, which is consistent with the fact that it had not yet been filed via MDEC and accepted by the Clerk. And, of course, the signature line for a judge is blank, and the blank in Paragraph 2 for the bond amount and blanks for the date and time above the signature line for the judge are also blank. After that proposed Order was filed, with the Complaint and other motion papers, the MDEC system applied a date stamp in the upper right-hand corner of the Court's electronic copy. See the 2024-06-14-Proposed Order-FILED which I have attached.

When, on June 17, 2024, Judge DiSimone determined that Ohana's Motion for Temporary Restraining Order should be granted, his Chambers pulled up a copy of the Court's electronic copy of the proposed Order, which, of course, bore the June 14th filing date stamp. At Judge DiSimone's direction, his staff inserted "\$1.00 (one dollar)" on the blank in Paragraph 2, inserted the date and time above the signature line. His staff then printed the document, and he signed it. At 11:06 a.m., someone in the Clerk's office with the initials RB entered the signed TRO into the MDEC system. See attached Notice of Clerk entering TRO into MDEC. The MDEC system then superimposed a new e-filed date stamp over the original date stamp. See 2024-06-17 ORDER Temporary Restraining Order entered (DiSimone), a copy of which is attached. If you look carefully at some of the many orders denying your various motions and granting Ohana's motions, in which the judge signed a proposed order that we had submitted or stamped an order on first page of one of your motions, you will frequently see one e-file date stamp superimposed on another.

While I did appear in Judge DiSimone's courtroom on the morning of June 17, 2024, and was present when he signed the TRO, I did not wait for the TRO to be walked to the Clerk's office and docketed. I was not in the courthouse at 2:45 p.m. when my colleague Ms. Hoffberger, attorney of record for Ohana and listed on the signature block, personally appeared at the Clerk's filing desk, filed a hard copy of the Line (which bore my electronic signature), paid the \$1.00 bond to the Clerk, and obtained a physically date-stamped hard copy of the Line. The Line, which makes no representation of my being physically present at its filing, is completely accurate.

Thus, as you now hopefully understand, your assertion that we signed the TRO for Judge DiSimone prior to filing the proposed version on June 14th is, like every substantive assertion you have attempted to make to the Court in this matter, completely wrong.

Have a great weekend!

Subject: Ohana Growth Partners, LLC v Ryan Dillon-Capps
Importance: High

We have been retained by Ohana Growth Partners, LLC to represent it in connection with your ongoing breaches of your contract with and duty of loyalty to the Company and your continuing violation of Md. CODE ANN., CRIM. LAW., §7-302(c) through your refusal to provide Global Admin rights to Phil Leodore of Hartman Executive Advisors. Your continued refusal to comply with Ohana's demands, and your action to lock VP of Human Resources Richard Hartman out of the Company's MS 365 account has left the Company with no option but to seek assistance of the courts.

Attached are copies of a Complaint that **will be filed** on Ohana's behalf against you in the Circuit Court for Baltimore County. Also attached is a Motion for Entry of a Temporary Restraining Order and Preliminary Injunction, Memorandum of Law in support of the motion with exhibits, and a proposed Order that will be filed along with the Complaint. Our transmitting these documents does not currently constitute service of process triggering your duty to file a response to the Complaint, but it does place you on notice of the Motion for a TRO.

Immediately after the documents are filed we will transmit courtesy copies of the filings to the Hon. Michael J. Finifter, who is serving as today's Chambers Judge for the Court, and request that we be given an opportunity to heard on the Motion for a TRO as soon as possible this afternoon. I will advise you as to whether the Court sets an in-person or telephonic hearing on the motion. If you are represented by an attorney, you should have your attorney contact me as soon as possible.

Ohana will consider withdrawing the Motion for TRO provided that (1) you immediately provide Global Admin rights to Phil Leodore of Hartman Executive Advisors.; (2) we receive confirmation from Mr. Leodore that he has received and can exercise those rights; and (3) you confirm in writing that you will comply with the suspension letter sent to you yesterday by Richard Hartman. Time is of the essence. Ohana is also open to a negotiated resolution to the entire matter and any claims that you believe you may have, but will not entertain any discussions until the issue of Global Admin rights is resolved. I am available by telephone to discuss the matter with you and/or your attorney should you wish to do so.

Regards,

Robert Brennen

Ryan Dillon-Capps,

While the parties' respective views of the relevant facts and applicable law seem irreconcilable in key respects, Ohana Growth Partners is open to your meeting with me and Mr. Frenkil for a discussion of whether there is any possibility of a negotiated end to the ongoing litigation. If that is of interest, please advise as to your availability for balance of this week and next week.

Consistent with its position throughout the ongoing litigation, Ohana Growth Partners remains open to good faith negotiations regarding a possible resolution of the litigation. However, in light of the parties' respective and very divergent views on the material facts and applicable law, Ohana does not think that direct party to party discussions are likely to be constructive. Ohana proposes that the parties agree to participate in settlement discussions with the assistance and participation of a mediator appointed by the Court, preferably a retired Circuit Court judge. Please advise whether you would object to or consent to the Court's referring the matter to a court-appointed mediator for mediation. If you consent, or at least do not object, we will prepare and file a request to the Court that it make such a referral and indicate in the request that you either consent, or do not object.

We look forward to hearing from you.

Please include the following when you respond.

_____ (parties) are open to discussions on the following key points:

1. [Briefly outline the main points you wish to negotiate]

Because Judge Rolle is a full-time judicial appointee, she is barred by Maryland Rule 18-203.9(a) from serving as a mediator. The Circuit Court for Baltimore County could appoint a retired judge from that Circuit to serve as the mediator. Do you have a preference with regard to a particular retired judge of the Baltimore County Circuit Court?

Understandable,

To help expedite this matter, we suggest using Judge Alexander Williams, Jr. (Ret.) as a mediator. His track record with resolving cases efficiently and his no-nonsense approach would likely ensure we reach a solution quickly, minimizing ongoing legal expenses and avoiding prolonged court involvement. His reputation for straightforward and practical resolutions aligns with our shared goal of finding a mutually agreeable outcome without unnecessary delays or escalating costs.

Additionally, utilizing a private mediation group like the McCammon Group allows us both to maintain more control over the process, ensuring flexibility and convenience for scheduling, while keeping the costs and timeline manageable for both sides. The McCammon group boasts that 85% of the mediations they handle result in a settlement, and they have an agreeable neutral format.

There will be a large filing later today. I wanted to let you know in advance to avoid any misunderstanding because this was already planned and it is not an indication of a change in my position. I recommend engaging them quickly if it is agreeable.

As stated in my email of October 18, 2024, Ohana Growth Partners remains open to good faith negotiations regarding a possible resolution of the litigation. However, in light of the parties' respective and very divergent views on the material facts and applicable law, Ohana does not think that direct party to party discussions are likely to be constructive. Ohana continues to be open to participating in settlement discussions with the assistance and participation of a mediator.

Maybe,

I held the filing back yesterday as a courtesy. I want to give both of you the opportunity to be heard -- I am not going into the city to your office or anywhere that is favorable ground to either of you.

Let's see if we can save everyone time -- 5625 O'Donnell St, Baltimore, MD 21224 parking lot. Twenty-minute meeting today. It can be during or after hours, and it is between both of us at a large establishment.

You, Robert, and Steven present the position for Ohana and M&S and let's see if there are sufficient grounds to discuss further.

hopeful,
RDC
